No individual will be employed who has been convicted of a criminal offense listed in Section 5/21B-80(c) of the School Code.

All applicants must complete an electronic application in order to be considered for employment. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Job Descriptions

The Board maintains the Director's job description and directs, through policy, the Director, in his or her charge of DAOES administration.

The Director shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful Director candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Director or designee, or if the applicant is a successful Director candidate, then the Board President shall notify an applicant if the applicant is identified in either database.

Each newly hired employee must complete all forms as required by federal law demonstrating the employee may legally work in the United States.

DAOES retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 5/21B-80 of the School Code or who falsifies, or omits facts from, his or her employment application or other employment documents.

The Director shall ensure that the DAOES does not engage in any investigation or inquiry prohibited by law, including without limitation, investigation into or inquiry concerning: (1) credit history or report unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; (2) claim(s) made or benefit(s) received under Workers' Compensation Act; and (3) access to an employee's or applicant's personal online account, such as social networking website, including a request for passwords to such accounts.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the DAOES.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Director or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any DAOES employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in the Act, direct or cause the Board to direct the Director or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse.

5:180 Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary. Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervisor to perform health examinations if the examination is job-related and consistent with business necessity.

5:185 Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act, for up to a combined total of 12 weeks each year, calculated using the rolling 12-month method measuring backward from any date the employee uses FMLA leave. Using this method, DAOES will look back over the last 12 months from the date of the request, add all FMLA time the employee has used during the previous 12 months and subtract that total from the employee's 12-week leave allotment.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, DAOES will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided in federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by DAOES, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the System for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the System need not be consecutive. However, the System will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, *et seq.*, or when a written agreement exists concerning the System's intention to rehire the employee.
2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Director or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt DAOES's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Director or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Certification

Within 15 calendar days after the Director or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty

status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

DAOES may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

DAOES may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, DAOES may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) System receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to DAOES within 15 calendar days after the request. DAOES may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by DAOES may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A System's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and DAOES notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Director or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Director or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations DAOES may impose as provided in the FMLA or implementing regulations, and (2) DAOES's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Director or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

5:220 Substitute Teachers

The System may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license or short-term substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the System during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with DAOES only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with DAOES only for a period not to exceed 120 paid school days.
3. A short-term substitute teacher holding a short-term substitute teaching license may teach for any one licensed teacher under contract with the District only for a period not to exceed five consecutive school days.

The Illinois Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. Beginning July 1, 2020, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

Short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

A substitute teacher may teach when no licensed teacher is under contract with the Board if the System has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Director shall notify the appropriate Regional Office of Education within five business days after the employment of a substitute teacher in an emergency situation.

5:230 Maintaining Student Discipline

Please refer to the current Negotiated Agreement and Contract Between the Board of Directors of the DuPage Occupational Education System and the DAVEA Education Association.

For employees not covered by this agreement:

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Director shall ensure that all teachers, other certificated employees, and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students; a student's removal must be in accordance with Board of Directors policy and administrative procedures.

Teachers shall not use disciplinary methods which may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable force as needed to keep students, school personnel, and others safe, or for self-defense or defense of property.

5:240 Suspension

Suspension Without Pay

The Board of Directors may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to DAOES.

Misconduct that is detrimental to DAOES includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Director or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Director or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Director or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the System's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the System as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Director shall meet with the professional employee to present the allegations and give the professional employee an opportunity to refute the charges. The professional employee will be told the dates and times the suspension will begin and end.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the System all compensation and the value of all benefits received by the employee during the suspension. The Director will notify the employee of this requirement when the employee is suspended.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that DAOES remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with DAOES, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

5:250 Leaves of Absence

Sick and Bereavement Leave, Personal Leave, Sabbatical Leave, Unpaid Leave of Absence - Certified, Child-Rearing Leave, Leaves for Service in the Military, Association Leave

Please refer to the current Negotiated Agreement and Contract Between the Board of Directors of the DuPage Occupational Education System and the DAVEA Education Association.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Department of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Director shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family, or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the System employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to a teacher who is elected to serve as an officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System to attend meetings and seminars as described in 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the System, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the System, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the System's employees may be absent to serve as election judges on the same Election Day.
