

**Technology Center of DuPage School of Cosmetology**

Parents:

- The student/parent has the right to cancel/drop course. Notice to cancel/drop course must be in writing and given to register agent or managing employee of the TCD school of Cosmetology (Jeanna Tenuta Program Coordinator)
- The TCD School of Cosmetology does not guarantee 1500-hour completion/employment.
- The student/parent will provide transportation during additional hours needed to be logged (Summer School, Spring Break, Expanded Curricular Opportunities) for successful completion of the program. I further understand that we must follow all rules concerning transportation to and from the Technology Center of DuPage as outlined by our sending school. In all cases where the students' transportation is not provided by the sending school. Permission must be granted by the sending school, parent, and the Technology Center of DuPage prior to the day the transportation is needed.
- I understand that Cosmetology is a program that ran through Technology Center of DuPage, however is governed by the Illinois Department of Professional and Financial Regulations. All governed laws and rules must be adhered to regarding, both not limited to; uniforms regulation, hour accumulations, GPA in both attendance and academics.
- I have read the information entitled "Technology Center of DuPage School of Cosmetology Enrollment Agreement", which specifies the operating procedures of the Technology Center of DuPage School of Cosmetology. I understand the importance of my son/daughter following the rules if he/she is to successfully complete the program. I agree to work with him/her in meeting the outlined responsibilities.
