

# TCD Preschool Times

## Winter Weather Information

As we get into the heart of winter we want you to be prepared with some important information including school closings.

- In severe weather please go to the TCD home page [www.tcdupage.org](http://www.tcdupage.org). On the front page will be an emergency closing banner if we are closed. You will also get a Ro-Bo call from us. Technology Center of DuPage -Addison will also be listed on major radio & TV stations. If TCD is closed there will be no preschool.

- Preschool start and end times: With frigid weather upon us, we do not want you left standing out in the cold. Our doors for preschool will Not open till 8:30 and 12:00. Our student teachers start at different times so we need to have them here when preschool begins. Pick-up times are 10:30 and 2:00. We cannot keep children after those times.
- Weather permitting we will try & go outdoors for some snow time. Please dress your children accordingly.

## TCD Preschool receives Nutrition & Health Grant

TCD Preschool was chosen to be a recipient of the Illinois Department of Public Health Chronic Disease & School Health Grant through an RFP process. FORWARD & the Dupage Co. Health Dept administer

the grant. Through our preschool and others a consultant will work to assess & develop recommendations for how to live a healthy life & how to impart this knowledge to preschoolers and their fami-

lies. Besides professional development and resources for families—our program will received funding to improve activities in physical education & nutrition.

**We Appreciate all  
referrals for Preschool!!**

Technology Center of DuPage (TCD) offers DuPage County area high school juniors and seniors 20 career and technical education programs (CTE) as part of their high school curriculum. Its mission is to provide an education environment that supports and encourages individual learning styles, develops occupational skills and professionalism, promotes academic growth, and assists students in discovering their potential. In addition to high school credit, TCD students may concurrently earn free college credit, simply by enrolling at no cost with College of DuPage during the designated timeframe.

**40 years: 1974 - 2014**

## Valentine's Celebration On February 12th!

On Friday, February 12th we will celebrate Valentine's day. You may send your child to school with Valentine Cards and/or treats. We will be making valentine mailboxes in our classroom. Please encourage your child to sign his/her own name on the cards. This is a way for them to gain self-esteem and practice writing skills. If your child is too young or disinterested in writing their name, encourage them to decorate the envelope and cards. Do not put specific names on the cards since this makes it more difficult for them to pass out.

- There are 6 children in the A.M.
- There are 9 children in the P.M.

Some of you have asked how many student teachers we have:

- In the A.M. there are 12 student teachers.
- In the P.M. there are 12 student teachers.

**\*\*Please bring in a shoe box for your child to use—we will need them by: February 9th**

Valentine's day is a time to celebrate family and friendship. We hope you enjoy some special time with your family and friends!
