High School Students: *Get Ready for College – Ready for a Career!*

"Going to TCD was the best decision I made in high school!"

—TCD alum, Multimedia & TV Production

**Graduation is getting closer –
are you ready?**

STEM skills, core academics, college readiness, career exploration...more than ever, American students need preparation for success after high school. Technology Center of DuPage is your high school's advanced career and technical education elective, offering the solid preparation you need to face the future with confidence. Whether your passion is solving problems, serving your community, expressing your creativity, or inspiring and leading others, TCD can help you find a career pathway that works for you.

Start your journey with the Explore TCD Field Trip!

High School Students: Explore TCD for Yourself!

What is Technology Center of DuPage?

TCD is your high school elective for advanced career and technical education, serving juniors and seniors attending school in DuPage County and Lyons Township.

Hands-on learning and college credit available!

- 19 in-depth programs (see list below or www.tcdupage.org).
- Preparation for post-secondary education and career entry.
- Project-based learning, work-based experiences.
- Both high school and transferable college credit possible.
- Industry certifications in most programs.
- Information about scholarships – we'll even help you apply!

How does it work and what does it cost?

- Programs are offered two hours a day, Monday-Friday, junior or senior year or both.
- Students enroll through their high school counseling department.
- TCD programs take place at the campus in Addison or Naperville (depending on your school location and program choice)..
- Bus transportation is provided by your school district.
- No tuition: TCD is an elective part of your high school's curriculum.
- Pay a modest flat fee for books and supplies; see www.tcdupage.org for any additional program-related costs.

Yes, I'd like to explore the possibilities. Sign me up for the Explore TCD Field Trip. (Your school's Field Trip date is posted on the front of this postcard.) I understand that I will miss about a half day of regular classes as I travel by bus to the Technology Center of DuPage campus in Addison. Visit www.tcdupage.org for full program descriptions. I would like to visit the following TWO career programs:

- Auto Body Repair & Refinishing
- Automotive Technology
- Computer Information Systems & Game Design
- Construction Trades/HVAC/ Residential Wiring
- Criminal Justice
- Cosmetology
- Early Childhood Education & Care
- Electronics Technology

- Fire Science / Emergency Medical Technician (EMT)
- Healthcare Foundations
- Medical Terminology & Health Careers
- Multimedia & Television Technology
- Nursing Assistant Training Program
- Professional Cooking, Baking & Service

- PLTW Pathway to Engineering
Includes information about these courses:
 - Introduction to Engineering Design (IED)
 - Principles of Engineering (POE)
 - Civil Engineering & Architecture (CEA)
 - Computer Science Principles (CSP)
 - Digital Electronics (DE)
 - Engineering Design & Development (EDD)
- Welding Technology
